

# Search & Buy Numbers. Text goes out of bounds

**Browser:** Chrome; **Bit version:** 64; **Version:** 104.0.5112.80.

## Preconditions:

- Have valid account. For example:
  - Email: [testcasesignin@gmail.com](mailto:testcasesignin@gmail.com)
  - Password: Testpassword1!

## Steps to reproduce:

1. Open <https://telnyx.com/>;
2. Click “Log In” button;
3. Enter the valid credentials;
4. Click “Log In” button;
5. Click “Numbers” button on navigation bar;
6. Click “Example Searches” button;
7. Resize the window to less than 700 pixels wide.

## Expected result:

1. The frame should adjust after changing the screen size. The text and button are not out of bounds.

## Actual result:

1. The frame didn't adjust after changing the screen size. The text and button are out of bounds.
